To Whom It May Concern,

I sold my business, Elkhorn Enterprises, Ltd. dba IntegriServ Cleaning Systems, on January 10, 2017 to Clean Team, Inc. It was a pleasure dealing with Bob Armbruster and the Clean Team staff. Throughout the process I found Bob and his team to be honest, straight-forward, fair, easy to work with and very competent. They have honored every commitment and made the sales process and transition smooth and painless.

While I found it difficult to entrust to someone else my "baby" that I had built from scratch and nurtured for 16 years, I am pleased that I placed my trust in Bob and Clean Team. In the months since we signed our agreement I have observed that my former customers, franchisees and employees have been treated well by Bob and his team. I am confident that they will continue to build upon the foundation that I laid and take the business to even greater accomplishments.

If you would like further insight, please feel free to ask Bob for my contact information. In any event, I wish you success in your endeavors.

Sincerely,

William G. Deem
